

MUSIC DEPARTMENT REQUIREMENTS
Competitions & Trips

It is **mandatory** that every 7th through 12th grade student who is a member of a music ensemble attend all trips, workshops and/or competitions. It is important to submit your trip permission slips for The Annual Music Trip as soon as forms are received.

All other Field Trip forms that are given out by fine arts teachers must be turned in to their teachers in a timely fashion. Many times throughout the year, individual performing groups attend off campus sites to perform for the public. These performances are also mandatory

If you have any financial concerns about any of the trips or any other requirements it is imperative that you call the fine arts department no later than October 1st.

To audition for State, District, and County level organizations, students must be enrolled in the corresponding class at NBPS. For example, to be in an All State Choir, a student must be enrolled in an NBPS choir class. All music students must take private lessons to participate in the organizations stated above.

Uniforms

As one of the visible representatives of the school community, the Music Department must maintain a consistent appearance when performing. Many of the uniforms are also practical for regular school attire. All ensemble members are required to purchase and wear these items in order to participate.

**ANY UNIFORM ISSUES, CONCERNS, OR NEEDS MUST BE SUBMITTED TO THE
DIRECTOR OF FINE ARTS**

**PLEASE BE ADVISED THAT IT IS A STRICT NBPS MUSIC DEPARTMENT POLICY
THAT STUDENTS MISSING ANY OF THE REQUIRED UNIFORM COMPONENTS CAN
BE DENIED PERFORMANCE PRIVILEGES.**

UNIFORMS
